ECC has issued instructions to the concerned authorities regarding the issuance of NOC.

The instructions have been issued to ensure that all necessary procedures are followed for the issuance of NOC. The instructions emphasize the importance of ensuring that all relevant laws and regulations are complied with.

The instructions also highlight the need for transparent and efficient procedures to be followed in the issuance of NOC. The concerned authorities have been advised to ensure that the process is conducted in a fair and impartial manner.

The instructions further emphasize the importance of maintaining high standards of professionalism and integrity in the issuance of NOC. The concerned authorities have been advised to take all necessary steps to ensure that the process is conducted in a manner that is consistent with the best practices in the field.

The instructions also highlight the importance of ensuring that the process is conducted in a manner that is consistent with the principles of good governance.

The instructions have been issued in accordance with the relevant laws and regulations, and the concerned authorities have been advised to take all necessary steps to ensure compliance.

The instructions also highlight the importance of ensuring that all relevant stakeholders are kept informed of the progress of the process, and that the process is conducted in a manner that is consistent with the principles of transparency and accountability.

The instructions have been issued in the context of the current situation and the need for urgent action to ensure that the process is conducted in a manner that is consistent with the best practices in the field.

The instructions have been issued to ensure that all necessary procedures are followed for the issuance of NOC. The instructions emphasize the importance of ensuring that all relevant laws and regulations are complied with.
